(c) If a Stop Work Order is not canceled and the work covered by the Stop Work Order is terminated the County shall be liable only for those costs incurred prior to the issuance of the Stop Work Order.

(b) **Key Personnel.**

- (i) The Contractor acknowledges that the Contractor personnel providing Services under this Agreement have unique skills, knowledge, training and experience such that the Contractor's representation that it will engage or employ such individuals to perform the Services was a material consideration in the award of this Agreement to the Contractor ("Key Personnel"). Except as otherwise agreed to by the parties in writing, the Contractor's engagement or employment of Key Personnel to perform the Services or their replacements made in accordance with this Section is an obligation of the Contractor.
- (ii) Except as otherwise agreed to by the parties in writing, it is the intent of the parties that Key Personnel initially assigned to perform work under the Agreement continue through completion of the Services or such time as the parties mutually agree that an individual's responsibilities have been fulfilled under the Agreement. Further, an employee who is removed from the project for any reason shall not be re-employed on the project.

12. **Assignment; Amendment; Waiver; Subcontracting.** (a) This Agreement and the rights and obligations hereunder may not be in whole or part (i) assigned, transferred or disposed of, (ii) amended, (iii) waived, or (iv) subcontracted, without the prior written consent of the County Executive or his or her duly designated deputy (the "County Executive"), and any purported assignment, other disposal or modification without such prior written consent shall be null and void. The failure of a party to assert any of its rights under this Agreement, including the right to demand strict performance, shall not constitute a waiver of such rights.

(b) If the County provides consent, the Contractor must identify each subcontractor by name, business address and expertise, a full resume of the proposed person and must include the name(s) of the principal(s) of the subcontracting entity. The Contractor must provide a full description of the services to be provided by the Contractor.

and / or omissions of their Contractor Agents, subcontractors, independent contractors, consortiums, or partners.

(e) The Contractor shall require any subcontractor hired in connection with this Agreement to carry insurance with the same limits and provisions required to be carried by the Contractor under this Agreement.

(f) The Contractor Agents will be required to provide the County with an Owner and Management Disclosure.

Work Product shall upon its creation become the exclusive property of the County. The County may use any Work Product prepared by the Contractor in such manner, for such purposes, and as often as the County may deem advisable, in whole, in part or in modified form, in all formats now known or hereafter to become known, without further employment of or additional compensation to the Contractor.

(b) The Work Product shall be considered "work-made-for-hire" within the meaning and purview of Section 101 of the United States Copyright Act, 17 U.S.C. § 101, and the County is the copyright owner thereof and of all aspects, elements and components thereof in which copyright protection might subsist. To the extent such Work Product does not qualify as "work-made-for hire", the Contractor hereby irrevocably transfers, assigns and conveys to the County all of the Contractor's right, title, and interest, including all rights of copyright, patent, and other intellectual property rights, to or in such Work Product, free and clear of any liens, claims, or other encumbrances. The Contractor shall retain no copyright or intellectual property interest in the Work Product, and they shall be used by the Contractor for no other purpose without the prior written permission of the County. This Section will not be construed as limiting Contractor from performing consulting services similar to the Services or provide deliverables and work product similar to the Work Product for or to other persons, provided that Contractor does so in compliance with the terms and conditions of this Agreement and does not breach the County's rights.

(c) In no case shall this Section apply to, or prevent the Contractor from asserting or protecting its rights in, and in no case shall Work Product include, any discovery, invention, report, document, data, photograph, deliverable, or other material in connection with or produced pursuant to this Agreement that existed prior to or was developed or discovered independently from the activities directly related to this Agreement, as well as any improvement made to such pre-existing material, irrespective of the moment at which it was produced.

(d) Contractor shall promptly and fully inform the County, in writing, of any intellectual property dispute, whether existing or potential, of which Contractor has knowledge, relating to any

Work Product related to the subject matter of this Agreement or coming to Contractor's attention in connection with this Agreement.

15. **Indemnification; Defense; Cooperation.** (a) The Contractor shall be solely responsible for and shall indemnify and hold harmless the County, the Department and its officers, employees, and agents (the "Indemnified Parties") from and against any and all liabilities, losses, costs, expenses (including, without limitation, attorneys' fees and disbursements) and damages ("Losses"), arising out of or in connection with any acts or omissions of the Contractor or a Contractor Agent, regardless of whether due to negligence, fault, or default, including Losses in connection with any threatened investigation, litigation or other proceeding or preparing a defense to or prosecuting the same; provided, however, that the Contractor shall not be responsible for that portion, if any, of a Loss that is caused by the negligence of the County.

(b) The Contractor shall, upon the County's demand and at the County's direction, promptly and diligently defend, at the Contractor's own risk and expense, any and all suits, actions, or proceedings which may be brought or instituted against one or more Indemnified Parties for which the Contractor is responsible under this Section, and, further to the Contractor's indemnification obligations, the Contractor shall pay and satisfy any judgment, decree, loss or settlement in connection therewith.

(c) The Contractor shall, and shall cause Contractor Agents to, cooperate with the County and the Department in connection with the investigation, defense or prosecution of any action, suit or proceeding in connection with this Agreement, including the acts or omissions of the Contractor and/or a Contractor Agent in connection with this Agreement.

(d) Infringement Indemnification.

(i) The Contractor shall indemnify, defend and hold the County harmless against any and all liabilities, losses, costs, expenses (including reasonable attorney's fees and disbursements) and damages ("Losses") arising out of or in connection with any infringement, violation or unauthorized use of any copyright, trade secrets, or trademark, patent or any other property or personal right of any third party by the Contractor and/or its employees, agents, or subcontractors in the performance of this Agreement. As a condition to the foregoing indemnity obligation, the County shall give the Contractor: (A) prompt written notice of any action, claim or threat of infringement suit or other suit, (B) the opportunity to take over, settle or defend such action, claim or suit at the Contractor's sole expense, and (C) assistance in the defense of any such action at the expense of the Contractor.

(ii) In addition to the foregoing, if the use of any Work Product shall be enjoined for any reason or if the Contractor believes that it may be enjoined, the Contractor shall have the right, at its own expense, to take action in the following order of precedence: (A) to procure for the County the right to continue using such Work Product; (B) to modify the Work Product so that it becomes non-infringing and of at least equal quality and performance; or (C) to replace said Work Product with non-infringing deliverable(s), item(s) or part(s) of at least equal quality and performance, or (D) if none of the foregoing is commercially reasonable, then provide monetary compensation to the County up to the dollar amount of the

aggregate consideration paid to the Contractor for such Work Product; (E) the preceding remedies are in addition to and not in lieu of the Contractor's obligation to indemnify and defend the County; (F) time is of the essence with respect to every provision of this Agreement in which time of performance is a factor.

- (iii) The foregoing provisions shall not apply to any infringement occasioned by modification by the County that is (A) not contemplated by the Contractor; (B) made without the Contractor's approval; (C) infringement occasioned by County Works, specifications, or requirements provided to the Contractor.
- (iv) In the event that an action at law or equity is commenced against the County arising out of a claim that the County's use of a Work Product infringes any patent, copyright or propriety right and the Contractor is of the opinion that the allegations in such action in whole or in part are not covered by the indemnification and defense provisions set forth in this Agreement, the Contractor shall immediately notify the County in writing and shall specify to what extent the Contractor believes it is obligated to defend and indemnify under the terms and conditions of this Agreement. The Contractor shall in such event protect the interests of the County and secure a continuance to permit the County to appear and defend its interests in cooperation with the Contractor as is appropriate, including any jurisdictional defenses the County may have.

(f) The provisions of this Section shall survive the termination of this Agreement.

16. **Insurance.** (a) **Types and Amounts.** The Contractor shall obtain and maintain throughout the term of this Agreement, at its own expense: (i) one or more policies for commercial general liability insurance, which policy(ies) shall name "Nassau County" as an additional insured and have a minimum single combined limit of liability of not less than Five Million Dollars (\$5,000,000.00) per occurrence and Five Million Dollars (\$5,000,000.00) aggregate coverage, (ii) if contracting in whole or part to provide professional services, one or more policies for professional liability insurance, which policy(ies) shall have a minimum single limit liability of not less Five Million Dollars (\$5,000,000.00) per claim (iii) compensation insurance for the benefit of the Contractor's employees ("Workers' Compensation Insurance"), which insurance is in compliance with the New York State Workers' Compensation Law, and (iv) such additional insurance as the County may from time to time specify.

(b) Acceptability; Deductibles; Subcontractors. All insurance obtained and maintained by the Contractor pursuant to this Agreement shall be (i) written by one or more commercial insurance carriers licensed to do business in New York State and acceptable to the County, and which is (ii) in form and substance acceptable to the County. The Contractor shall be solely responsible for the payment of all deductibles to which such policies are subject. The Contractor shall require any subcontractor hired in connection with this Agreement to carry insurance with the same limits and provisions required to be carried by the Contractor under this Agreement.

(c) Delivery; Coverage Change; No Inconsistent Action. Prior to the execution of this Agreement, copies of current certificates of insurance evidencing the insurance coverage required by this Agreement shall be delivered to the Department. Not less than thirty (30) days prior to the date

of any expiration or renewal of, or actual, proposed or threatened reduction or cancellation of coverage under, any insurance required hereunder, the Contractor shall provide written notice to the Department of the same and deliver to the Department renewal or replacement certificates of insurance. The Contractor shall cause all insurance to remain in full force and effect throughout the term of this Agreement and shall not take or omit to take any action that would suspend or invalidate any of the required coverages. The failure of the Contractor to maintain Workers' Compensation Insurance shall render this contract void and of no effect. The failure of the Contractor to maintain the other required coverages shall be deemed a material breach of this Agreement upon which the County reserves the right to consider this Agreement terminated as of the date of such failure.

17. **Warranty.** (a) Contractor warrants and represents full ownership, clear title free of all liens, and/or that Contractor has obtained on behalf of County perpetual license rights set forth herein to use the deliverable. Contractor shall indemnify County for any loss, damages or actions arising from a breach of this warranty. County may require Contractor to furnish appropriate written documentation establishing the above rights and interests as a condition of payment. County's request or failure to request such documentation shall not relieve Contractor of liability under this warranty.

(b) The Contractor shall provide a warranty for all Deliverable(s) or product(s) specified in and furnished by or through the Contractor under an SOW. All product(s) or Deliverable(s) provided under an SOW shall substantially conform to the specifications set forth in the SOW and shall do so for a period of six (6) months following the date of acceptance by the County of the final Deliverable (the "Project Warranty Period"), provided, that no modifications, other than modifications contemplated by or consented to by the Contractor are made to the Deliverable(s) or product(s) or their system environment by any party other than the Contractor.

(c) The Contractor further warrants and represents that product(s) or Deliverable(s) specified and furnished by or through the Contractor under an SOW shall individually, and where specified by the Contractor to perform as a system, perform as such and be substantially uninterrupted and error-free in operation and guaranteed against faulty material and workmanship during the Project Warranty Period, provided, that no modifications, other than modifications contemplated by or consented to by the Contractor, are made to the Deliverable(s) or product(s) or their system environment by any party other than the Contractor. During the Project Warranty Period, defects in the product(s) or Deliverable(s) specified and furnished by or through the Contractor shall be repaired or replaced by the Contractor at no cost or expense to the County.

The Contractor shall advise NCIT immediately upon determining that any Deliverable(s) or product(s) will not, or may not, be delivered at the time or place specified. Together with such notice, the Contractor shall state the projected delivery time and date. In the event the delay projected by the Contractor is unsatisfactory, NCIT shall so advise the Contractor and may proceed to procure substitute Deliverable(s), product(s) or Services. NCIT will not unreasonably deem the delay unsatisfactory.

(d) Contractor shall extend the Project Warranty Period for individual product(s), or for the system as a whole, if applicable, by the cumulative period(s) of time, after notification, during which an individual product or the system requires servicing or replacement (down time), or is in the possession of the Contractor, its agents, officers, subcontractors, distributors, resellers or employees.

The Contractor shall send or deliver copies of the documents presented to the Applicable DCE under this Section to each of (i) the Department and the (ii) the County Attorney (at the address specified above for the County) on the same day that documents are sent or delivered to the Applicable DCE. (b) In the event that any provision of this Agreement shall be held to be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

(c) Unless the application of this subsection will cause a provision required by Law to be excluded from this Agreement, in the event of an actual conflict between the terms and conditions set forth above the signature page to this Agreement and those contained in any schedule, exhibit, appendix, or attachment to this Agreement, the terms and conditions set forth above the signature page shall control. Appendix EE

Equal Employment Opportunities for Minorities and Women

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined herein and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

(a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

(b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

(c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(d) The Contractor shall make best efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, for the purpose of granting of Subcontracts.

(e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.

(f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.

(g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions

or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

(h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.

(i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(l) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

- a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.
- b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.
- c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction

recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrators award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules (“CPLR”).

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation.

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate, or distinct from the County Contract as expressed by its terms.

The requirements of the provisions (a), (b) and (c) shall not apply to any employment or application for employment outside of this County or solicitations or advertisements therefor or any existing programs of affirmative action regarding employment outside of this County and the effect of contract provisions required by these provisions (a), (b) and (c) shall be so limited.

The Contractor shall include provisions (a), (b) and (c) in every Subcontract in such a manner that these provisions shall be binding upon each Subcontractor as to work in connection with the County Contract.

In addition, proof of the date(s) any such advertisements appeared must be included in the Best Effort Documentation. - f. Proof or affidavit that negotiations were held in good faith with interested M/WBEs, and that M/WBEs were not rejected as unqualified or unacceptable without sound business reasons based on (1) a thorough investigation of M/WBE qualifications and capabilities reviewed against industry custom and standards and (2) cost of performance. The basis for rejecting any M/WBE deemed unqualified by the County Contractor shall be included in the Best Effort Documentation

- g. If an M/WBE is rejected based on cost, the County Contractor must submit a list of all sub-bidders for each item of work solicited and their bid prices for the work.
- h. The conditions of performance expected of Subcontractors by the County Contractor must also be included with the Best Effort Documentation

Provisions requiring contractors to retain or submit documentation of best efforts to utilize certified subcontractors and requiring Department head approval prior to subcontracting shall not apply to inter-governmental agreements. In addition, the tracking of expenditures of County dollars by not-for-profit corporations, other municipalities, States, or the federal government is not required.

APPENDIX A

SCOPE OF SERVICES & PROCEDURES

The purpose of this Agreement is to establish a vehicle with the Contractor to provide Supplemental Staffing Services to the County. This Agreement will enable the Contractor to respond to any Statement of Work (“SOW”) issued by the Nassau County Department of Information Technology (“NCIT”) for which that Contractor is eligible to provide Services as specified in Appendix B (“Cost Proposal”).

Upon execution of this Agreement, from time to time, NCIT may identify a need for individual or project related Supplemental Staffing Services. NCIT may issue an SOW for a project requiring Supplemental Staffing Services. The SOW will describe in detail which of the thirty-two (32) Support Service Categories and levels NCIT requires as well as a detailed description of the requirements. Support Service Categories are described in detail in Appendix D (“Supplemental Staffing Support Service Categories”). NCIT will send the SOW to those Contractors previously identified as able to provide the Supplemental Staffing Services required for the specific Support Service Category(ies) required for the SOW as identified in Appendix B.

Contractors shall review the SOW and submit offers to provide the Supplemental Staffing Services needed under the SOW and for the specific Supplemental Staffing Services, indicate an hourly rate that is equal to or less than the rate proposed in their original response to this RFP. Contractors must also submit resume(s) of the staff that will be providing Supplemental Staffing Services for the SOW. NCIT may, in its discretion, select one or more Contractors to provide the Supplemental Staffing Services requested in the SOW. NCIT will not be obligated to select any of the Contractors to provide Supplemental Staffing Services under the SOW.

Please be advised that Contractors are not guaranteed work under this Contract. Rather, the Contract provides a Contractor with the eligibility to bid on a particular SOW for which the Contractor can provide the necessary Supplemental Staffing Services.

Individual Statements of Work

When NCIT has a project requiring Supplemental Staffing Services, an SOW describing in detail the project requiring Supplemental Staffing Services will be issued to each Contractor who is eligible to provide the specific type of Supplemental Staffing Service needed.

Notwithstanding the expiration of the Agreement between the Contractor and the County, an individual SOW may require the Contractor’s personnel to work beyond the termination date of the Agreement to complete a specific project or activity in the SOW. In that event, the County, at its sole option and discretion, may choose to amend the Agreement to extend the term for the period the Contractor’s personnel are needed to complete the project under the SOW. In addition, NCIT has the ability to modify each SOW to satisfy specific County needs.

Each SOW will provide details as to the required:

- Support Service Category(ies) required.
- Qualification Level of personnel needed to perform the Supplemental Staffing Services,

including the years of work experience required of personnel within the specific Support Service Category(ies) requested and demonstrable expertise.

NCIT will allow Contractors a specific period of time from the time NCIT issues a SOW to submit an offer in response. Such period of time will be specified when the SOW is issued and will vary for each SOW. NCIT will determine this length of time in part by the complexity of the job description(s) and skill set requirements.

Contractor Reporting/Documentation

Upon selection to perform the Services specified in an SOW, the Contractor will be required to provide NCIT with a Weekly Status Report. The Weekly Status Report format and details will be provided to the Contractor by NCIT. All documentation must be in the format specified by and acceptable to NCIT.

The Contractor may also be required to provide NCIT with other documentation and/or reports as required by NCIT. All such documentation and reports must be in the format specified by and acceptable to NCIT.

Failure to provide NCIT with acceptable Weekly Status Reports, other documentation or reports may result in delay of payment to the Contractor and/or disqualification of the Contractor to perform work on the SOW. If a Contractor repeatedly fails to provide NCIT with acceptable documentation or reports, the Contractor may be disqualified from performing any Services under this Agreement. NCIT will be the final judge of whether documentation and reporting requirements are being met by the Contractor.

Other Considerations

All personnel utilized by the Contractor in connection with fulfilling its obligations pursuant to or arising from this Agreement shall be employees of the Contractor or, if applicable, the Contractor's Agents and shall be in compliance with all applicable state, federal, and local laws relating to employees generally, including, without limitation, immigration laws.

The Contractor must ensure that all employees assigned to work under an SOW have the training and are qualified to perform the task(s) and meet the skill set requirements of the job position under consideration. If NCIT determines that such personnel do not possess the requisite skills, the Contractor shall provide a replacement acceptable to the County.

NCIT will provide workspace and facilities for all Contractors performing Supplemental Staffing Services under an SOW, as appropriate.

NCIT will provide the necessary computer equipment and computer resources to meet the project requirements unless otherwise stated in the SOW.

Pricing Schedule (Total Firm Fixed Prices)

Rates for this Contract will remain firm for the life of the Contract. This does not preclude any Contractors from offering a Rate lower than the established Rate in the Agreement in response to any SOW. All Rates are to be inclusive of any travel, living, and related expenses. The County will

not provide any extra compensation/ reimbursement for this purpose.

Contractor Performance Criteria

NCIT has established specific Contractor performance criteria and shall monitor and measure performance to ensure compliance with contract standards. Contractors will be required to meet or exceed the following performance criteria:

1. Certification of Employee Skill Sets and Capability to Perform Required Tasks.

NCIT may disqualify, **for any reason**, personnel presented by the Contractor for assignment who prove incapable of performing specific tasks assigned as described in the SOW.

These issues may include, but are not limited to, the following:

- The individual represented by the Contractor and placed on assignment does not have the skill sets and experience required to meet the job description requirements.
- The resumes submitted by the Contractor in response to a posted SOW are not indicative of required skill sets.
- Upon interview of an employee based on the resume or other representation by the Contractor, NCIT determines that the employee does not have the required skill sets or experience.
- Poor professional manner.

This includes, but is not limited to the Minimum Service Standards outlined in Section 9 above.

If NCIT terminates personnel placed on assignment by the Contractor because the person's skill sets or experience are not as originally represented, NCIT shall not be responsible to pay the Contractor for that period. This also denotes Cause for termination of the Contract.

The Contractor *must* warrant that qualified personnel will provide services in a professional manner. "Professional manner" means that the personnel performing the services will possess the skill and competence consistent with the prevailing business standards in the Information Technology industry.

NCIT will be the exclusive and final judge of whether there is misrepresentation of a skill set, experience level, or professional manner lapses.

2. Personnel Substitution.

The Contractor shall not substitute personnel assigned to the performance of an SOW without the prior written consent of the County and/or NCIT. The Contractor shall provide notice to

NCIT for any desired substitution accompanied by the names and references of the recommended substitute personnel. NCIT will approve or disapprove of the requested substitution in a timely manner. Upon such termination, NCIT may request acceptable substitute personnel or terminate the SOW services provided by such personnel.

Contractor Disqualification

A Contractor may be deemed unqualified by NCIT for repeatedly providing personnel who do not meet NCIT standards, failing to respond to NCIT requests, failing to promptly cure defects, continuing to omit or unsatisfactorily perform the required services, or for any other reason NCIT deems necessary.

Upon disqualification, the Vendor will no longer receive notification of SOWs released by NCIT.

NCIT reserves the right to remove from eligibility all Contractors that are inactive (have not responded to an SOW) for twelve (12) consecutive months during the Contract term.

Deliverables

Deliverables, as used herein, shall comprise all project materials, including goods, software, data, and documentation created during the performance or provision of services hereunder (the "Deliverables"). Deliverables are the property of the County and must be kept confidential, returned to NCIT, or destroyed as required by the County. Support Service Categories

Within each Support Service Category, the County has defined three qualification levels (the “Qualification Level”) listed below. Using the descriptions of each of the Support Service Categories listed in Appendix C (“Supplemental Staffing Support Service Categories”), the Contractor has provided their best rate which is listed in the column on this form based on the following:

Level 1 – Individuals with three (3) or more years but less than five (5) years of experience within the specific Support Service Category.

Level 2 – Individuals with five (5) or more years but less than ten (10) years of experience within the specific Support Service Category.

For each Qualification Level within a Support Service Category, the Contractor has provided rates under which the Contractor will provide personnel that meet the qualifications of the Support Service Category(ies) as described in Appendix C. The rate provided for each category will be the maximum rate that a Contractor can charge for services provided by personnel with that particular level of skill (the “Maximum Rate”).

The Contractor’s proposed personnel must have the requisite years of experience within the individual Support Service Category(ies). The Contractor cannot aggregate experience from different Support Service Categories.

Contractors, responding to an SOW, shall provide resumes that specify that the proposed personnel satisfy the qualifications required for the Qualification Level(s).

The Rates for this Agreement will remain firm for the life of the Agreement.
