

A MESSAGE FROM
MAUREEN O'CONNELL
NASSAU COUNTY CLERK

Dear Neighbor,

The Nassau County Clerk's Office is designated as an official U.S. Passport Acceptance Center by the United States Department of State. Anyone traveling outside the U.S. by air, including children and infants, is required to have a passport. At the County Clerk's office, we accept and process passport applications daily until 3:30pm. We have applications available for your convenience and are happy to answer any questions you may have.

Several changes have been made to the U.S. Passport Application process to expedite customs procedures for land and sea ports-of-entry, improve border security, and increase the security of minors traveling abroad. This guide is designed to better acquaint you with the U.S. Passport Application process and the changes it has undergone.

Should you have any further inquiries, the County Clerk's Office is glad to be of assistance. Safe travels!

Sincerely,

Maureen O'Connell

Changes to Passport Regulations

As of June 1, 2009, the United States Government Western Hemisphere Travel Initiative (WHTI) requires all U.S. citizens traveling by air outside the United States to present a passport or other accepted travel document to enter or re-enter the United States. U.S. citizens traveling by land or sea to Canada, Mexico, Bermuda and the Caribbean are required to have a passport, passport card or other accepted travel document to enter or re-enter the United States. For land and sea travel, children under the age of 16 can still present a birth certificate or other proof of U.S. citizenship. Special rules apply for students 16 to 18 years of age traveling by land and sea with certain groups. For more information visit www.travel.state.gov.
